LOANBANK FIGHT IN STATE DRAWS M'ADOO TO CITY

Secretary of Treasury Is Com-
ing to Topeka Sunday.

His Visit Here Considered Sig-
nificant to Kansas.

FARM LOAN BOARD HERE, TOO

Sunday and Monday to Listen
to City's Claims.

Kansas City Will Present Her
Claims at This Time.

With announcement from Wash-
ington concerning the coming of Sec-
retary McAdoo of the federal treas-
ury department, new interest today
centered in the meeting in Topeka
next Monday of the federal farm loan
board. Secretary McAdoo, as ex of-
ficio member of the board, will sit
with the four appointed members dur-
ing the meetings in Topeka and
Hutchinson. He will carry to Wash-
ington special reports concerning the
claims of central western towns for
the new farm loan bank.

McAdoo's coming to Kansas is re-
garded as most significant in the set-
tlement of the fight for location of
the loan bank. The secretary of the
treasury has to date attended none of
the western meetings, altho he has a
voice in the selection of towns in
which banks are located. The red hot
Topeka-Kansas City-Hutchinson fight,
however, is said to have interested
McAdoo and he will come to Kansas
and view first hand the claims of the
towns in the contest.

McAdoo Here Sunday.
Plans announced today will bring
Secretary McAdoo to Topeka Sunday
afternoon. It will be his first visit to
Topeka, altho he has on several oc-
casions visited in the west. On two oc-
casions in the last eighteen months
Secretary McAdoo has planned a trip
to Kansas. Both times he was com-
pelled to change his plans. Once the
secretary had accepted an invitation to
speak before Kansas Democrats at
their annual banquet.

This time, tho, McAdoo has com-
pleted all of his plans and will be in
Topeka for Monday's meeting. He will
probably leave Washington tonight,
stopping in Chicago for a short con-
ference with party leaders and mem-
bers of the Democratic national cam-
paign committee.

The four appointed members of
farm loan board—Norris, Quick,
Smith and Lobb—will arrive in To-
peka Sunday afternoon at 2:47 o'clock
over the Union Pacific. They will
come to Topeka direct from Denver,
where a meeting is being held this
week. Consideration of the bank sit-
uation in this district will not be taken
up until Monday afternoon.

Members of an entertainment com-
mittee, appointed by the commercial
club, will meet the board members. A
special entertainment program is be-
ing worked out. It will include drives
thru the city and probably an evening
dinner at the country club. At noon
Monday a special luncheon will be
given for the members at the commer-
cial club rooms.

May Speak at Luncheon.
Secretary McAdoo is expected to
arrive in Topeka Sunday afternoon
unless his conference in Chicago
should delay his arrival. In that
event, he will leave Chicago Sunday
evening, arriving in Topeka over Santa
Fe at 11 o'clock Monday morning
or 1 o'clock in the afternoon. He will
probably be asked to speak at the
commercial club luncheon.

Facts and evidence favorable to the
location of the loan bank in Topeka
has been prepared and will be pre-
sented at the Monday afternoon meeting.
Kansas City representatives will
present their evidence at the same time.

Following the session in Topeka,
members of the board will go to
Hutchinson. They will leave Topeka
over the Santa Fe Monday night and
will meet Hutchinson representatives
Tuesday afternoon.

TRY TO INVAD E EL PASO

10,000 Guardsmen Are Engaged in
Extensive "War Game."

El Paso, Tex., Sept. 15.—In the
largest infantry "war game" ever held
in this country, with about 10,000 men
engaged, the First brigade of Pennsylv-
ania National Guards began an at-
tempted "invasion" of the city of El
Paso from the north today. The at-
tacking forces number 4,500, while
two brigades of Pennsylvania infantry
comprise the defenders.

General Belt, Jr., commanding this
district, sent his staff of officers as
umpires of the game. During the
night the attacking forces marched to
Tohau, twelve miles out, and went into
camp. At dawn they were in motion
attempting to break thru the lines into
the city. The first contact of the op-
posing forces took place at 9 o'clock,
nine miles from El Paso. Each man
is equipped with fifty rounds of am-
munition.

The invading forces, under com-
mand of Gen. William G. Price, are
made up of three regiments from
Philadelphia. The results of the
maneuvers will not be known until the
umpires report.

WIFE SUES SHUBERT

Theatrical Magnate Charged With
Failure to Support His Family.

New York, Sept. 15.—Jacob J. Shu-
bert, theatrical producer, has been
made defendant in a summons and
complaint filed in the supreme court
by his wife, Mrs. Catherine M. Shu-
bert, in her action for separation. An-
nouncement of the pending suit was
made several weeks ago.

Mrs. Shubert alleges that her hus-
band is a man of "vast wealth and
worth more than \$1,000,000," but has
failed to support her adequately since
June 25, last. She asks custody of
their 8 year old son, Jacob J. Shubert,
Jr., and a suitable allowance for her-
self and son.
